**GOVERNMENT’S RESPONSE TO MOTION FOR RELIEF PURSUANT TO TITLE 18,  
UNITED STATES CODE SECTION 3582(c)**

AND NOW comes the United States of America, by its undersigned counsel and submits the following Response to the Defendant’s Motion for Relief pursuant to Title 18, United States Code, Section 3582(c), setting forth the following material factors in support thereof:

1. The defendant was previously convicted and sentenced for offenses involving the distribution of cocaine base, also known as crack cocaine.

2. The defendant was originally sentenced to a term of 198 months’ imprisonment, a sentence which represented the upper end of the guidelines imprisonment range which the Court found to be applicable in this case, 168-210 months’ imprisonment. That guidelines imprisonment range was based upon the Court’s finding that the defendant’s offense level was 30 and the defendant’s criminal history category was VI and a career offender. The range was originally 210-262; however, the defendant was given a 2-level reduction for acceptance of responsibility.

3. Following imposition of this sentence, in December 2007, the United States Sentencing Commission enacted an amendment to the sentencing guidelines, Amendment

706, which reduced the guidelines offense level for drug distribution and conspiracy offenses involving cocaine base by two offense levels and further provided that this amendment applied retroactively to defendants who were sentenced before the effective date of this amended guideline.

4. The defendant has now moved pursuant to Title 18, United States Code, Section 3582©, for relief in accordance with this amended guidelines provision.

5. Upon review of the defendant's motion and the underlying facts of this case, the United States agrees that the defendant is entitled to request some relief pursuant to Title 18, United States Code, Section 3582(c) since:

A. The defendant was convicted and sentenced for drug trafficking involving cocaine base;

B. The defendant's guidelines imprisonment range and sentence were determined based upon the quantity of drugs involved in this offense; and

C. The defendant is not a Career Offender, and the sentence imposed in this case is not based solely upon a statutory mandatory minimum.

6. Pursuant to Title 18, United States Code, Section 3582(c) and Guidelines Amendment 706:

A. The revised offense level for this defendant appears to be 28,

B. The defendant's criminal history category remains VI.

C. The revised guidelines imprisonment range would be 140-175 months' imprisonment. However, the defendant is a career offender and his guideline range is automatically offense level 32, category VI as per U.S.S.G. Section 4B1.1(b)(c).

7. As an aid to the Court, the United States requests that the United States Probation Office prepare a brief addendum to the pre-sentence report, confirming the recalculated guidelines imprisonment range in this case and describing any public safety factors in this case, as well as the defendant's institutional history. The United States submits that with this addendum to the pre-sentence report, the Court can decide the defendant's motion without the necessity of a hearing or the defendant's presence in Court.

8. If, upon favorable consideration of the public safety factors and the defendant's institutional history set forth in the addendum to the pre-sentence report, this Court concludes that a sentencing reduction is appropriate pursuant to the standards of U.S.S.G. § 1B1.10, the United States requests that this Court re-sentence the defendant to a sentence that is commensurate with the sentence originally imposed on the defendant for the guidelines range previously applicable in this case.

Again, the defendant is a career offender and should not be eligible for any sentence reduction since the amount of drugs did not by itself determine his sentence.

9. The defendant has a projected release date of November 14, 2016. If this revised sentence results in the imposition of a term of imprisonment that is satisfied by time-served, the United States requests that this Court direct that the defendant be released ten (10) days from the date of the entry of this re-sentencing order, in order to allow the Bureau of Prisons to complete release

planning, conduct the violent sexual offender assessment mandated by law, and obtain any DNA samples required by law.

Respectfully submitted,
